Our customers know us for excellence in everything that we do. Zyphar's believes in achieving success through strong values such as **Concern, Care and Cure.**

## Our Mission

Inspired by the campaign Atmanirbhar Bharat, our motto is

### **"Made in India made for the world"**

We strive to build a robust and respected pharmaceutical company with dynamic business management processes and practices coupled with sound administration and financial management to deliver high quality & cost-effective life-saving products in crucial therapeutic segments.

Zyphar's Pharmaceuticals exemplifies total customer focus through high quality products and services delivered with trust, transparency, and teamwork

We envision Zyphar's Pharmaceuticals to emerge as an acclaimed transnational pharmaceutical company delivering high quality, innovative yet affordable formulations and earn the trust of the medical fraternity and patients through concern, care and cure.

Zyphar's Pharmaceuticals is an integrated pharmaceutical company with inception in 2009, focus on critical care ICU/IPD products. Today we have two divisions – **Critical Care & Xion** dedicated to Critical Care ICU products for all major specialties covering 20000 Doctors in major leading Hospitals/ICUs across India.

## Our Vision

# Zyphar's Facilities

All our facilities are equipped with state-of-the-art manufacturing process and are ISO certified for their quality, environmental management and operational health and safety systems. Operations and facilities meet current Good Manufacturing Practices (cGMP) and are benchmarked to international standards.

## Quality Policy

Our Quality policy is to produce high-quality therapeutic products and make them readily available in the market at competitive prices. Quality, as defined by our company, is not only conformance to specifications as per international quality standards but also building quality within the product in order to achieve the desired results. Our quality system is based on the principle that there is always room for enhancement and every member should contribute towards achieving the highest standards of quality.

# Zyphar's Commitment

Our commitment to expand access to quality medicine and contribute to global healthcare by providing innovative & unique products, thus, improving the lives of people. We aspire to research, develop and commercialize safe, potent and cost-efficient emergency therapeutic medicines and aim to become a leader in Critical Care and other specialty segments.

**"Commitment  
is what  
Transforms  
a Promise  
into Reality."**

- Abraham Lincoln
